- I will not use the school's computer network to harass or bully any other person.
- I will tell my teacher if I know about anyone who is using the school's computer network to harass or bully another person.
- I will only send e-mail messages and other messages through the computers in school as part of a class project.
- I will not "sign-in" at social media sites I see on the Internet.
- I will talk with my parents so that we can set up rules for going online at home. We will decide upon what time of day that I can be online, the length of time I can be online, and the appropriate areas for me to visit.
