Dear Parent/Guardian:

Lynbrook Union Free School District believes that one of the most important ways we can help our children perform better in their classrooms is to provide them with the nutrition necessary for the healthy growth of their minds and bodies. Therefore, we provide milk in our school every day.

We invite all students to show their support for their school food service program through frequent participation. Current milk prices are **\$ 40 cents** per one half pint.

How to Apply: To receive free milk for your children **submit an Eligibility Letter for Free Meals/Milk from the NYS Education Department OR carefully complete the application** and return it to the school. If you currently receive SNAP, or TANF for any children or participate in the FDPIR, the application must include the children's names of all children living in your household, your SNAP, TANF or FDPIR number and the signature of an adult household member. If you do not list a SNAP/TANF/FDPIR number, the application must include the names of everyone in the household, the amount of income for each household member, how often this income is received and where it comes from. The application must also include the signature of an adult household member and the last four digits of that adult's social security number, or check the box if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your SNAP or TANF number or complete the income portion of the application.

Income Chart: The following chart lists income levels according to household size and income levels received either yearly, monthly or weekly. If your total household income is the same or less than the amounts on the Income Chart below, your children may be eligible for free milk.
