January 2024

Dear Lynbrook Families,

As we advance into the New Year, it is time to prepare transportation requests for the 2024-2025 school year. Transportation requests will only be accepted electronically by visiting www.lynbrookschools.org and completing the electronic transportation form.

Please complete one request form for each child requiring transportation.

New York State Law requires that transportation applications must be fully submitted electronically on or before April 1, 2024 in order to be eligible for transportation for the 2024-2025 school year; or within thirty (30) days of establishing residency in the school district.

Requests must be submitted annually. Failure to fully complete and submit the form will invalidate your request and result in non-acceptance for processing.

In addition to completing this form, you will need to email residency documents to transportation@lynbrookschools.org. Please see the district’s website to access the required documents.

Once your electronic application is reviewed and approved, you will receive a confirmation email.

If you have any questions, please contact the Transportation Office @ 516-612-5490

Sincerely,

Maureen Berman
