## LYNBROOK HIGH SCHOOL COUNSELING AND SUPPORT CENTER

### Laurie Mitchell, Director of Guidance

**Dept. Phone: 516-887-0215**

**Dept. Fax: 516-887-8079**

Welcome to the Lynbrook High School Guidance Department. Our school counselors work with students, parents, teachers, administration, and other support staff in many ways through our comprehensive guidance and counseling program. High school students are assigned to School Counselors alphabetically by grade level. Students stay with the same School Counselor all four years of high school.

As an important component of the Lynbrook Public Schools' education mission, the guidance program is designed to produce responsible, self-aware, and mature adults. Our counselors address issues such as academic concerns, peer relationships, peer pressure, social decisions, self-advocacy, and post-high school planning. Through individual counseling, Instructional Support Team (IST), parent-teacher conferences, and in conjunction with the services of other support personnel and administration, counselors work as advocates for all of their students.

Check out [our YouTube channel](#) for informative videos.

# Financing your education

# FAFSA FILING FOR CLASS '24

- Major changes for the 2024-25 Financial Aid Application
- We are planning a Financial Aid Night in November
- Students can file the FAFSA starting in December 2023
- Parent **AND** student need to go on-line and obtain Federal Student Aid IDs - (FSA ID#) [www.studentaid.gov/fsaid](http://www.studentaid.gov/fsaid)
- The **2024-25** FAFSA (for the class of 2024) will collect IRS income information from 2022. Also known as “prior-prior” year. Most 2022 tax returns should have been filed
- This aligns the financial aid cycle more closely to the admissions cycle for students providing more time to explore and understand financial aid options
- You can now add up to 20 colleges on the FAFSA

# NEW YORK STATE GRANT ASSISTANCE - TAP

- The Tuition Assistance Program - TAP provides substantial grant assistance to eligible New York State residents attending colleges in New York state
- Families with New York state Net Taxable Incomes of less than \$80,000 are currently eligible. Current regulations provide that TAP also uses prior-prior year income aligning with federal application income reporting
- Awards for 2023-24 range from \$500 to \$5,665 per year to assist with tuition costs only
- TAP is a link that is an option that becomes available when completing your FAFSA application

# HOW AND WHEN DO WE GET STARTED?

WHEN: FAFSA portal opens December 2023

Parents will be using 2022 tax information to complete FAFSA

1. Parent and student need to go on-line and obtain Federal Student Aid ID (FSA ID#) [www.studentaid.gov/fsaid](http://www.studentaid.gov/fsaid)
2. Complete & submit FAFSA and NY State TAP application as soon as possible before schools' deadline dates & complete annually thereafter.
3. NYS TAP application is a link option to be selected when completing your FAFSA. Adding any college in New York on the FAFSA will generate the TAP link but you must select YES. [www.hesc.ny.gov](http://www.hesc.ny.gov)
4. Some colleges may require the CSS PROFILE to be submitted. Complete & submit CSS PROFILE through your student's College Board account ([www.collegeboard.org](http://www.collegeboard.org)). Also, look out for institutional aid applications from the colleges.

# DOCUMENTS YOU WILL NEED

- Certain rules apply and these awards assist with tuition costs only. \*Sign up for the Excelsior Scholarship email alert at [HESC.NY.Gov](https://HESC.NY.Gov) to be notified when the application is available\*

# NET PRICE CALCULATORS

- The Net Price calculations are based on the basic formula of price of attendance minus grant aid
- The calculator will generate an estimated SAI based on the student's unique financial information
- The SAI estimate generated will not represent a final or binding determination of the institution's cost
- Every college is required to have a Net Price Calculator link on their website

# WHAT HAPPENS NEXT?

- Once the FAFSA is processed, the family and student receive the Student Aid Index (SAI) results by mail or email through a document called the Student Aid Report (SAR)

### Using Application Preview

The information in your Common App is yours alone until you submit it to a college. But if you are working with a counselor or advisor, you may choose to enable Application Preview for them.

### What is Application Preview?

Application Preview allows a counselor or advisor to see a PDF version of your application, including all of your answers in your Common App, your answers to college-specific questions, and any application you've submitted to a college. Note that this includes all personally identifying information entered, including your Social Security Number (SSN). You should only enable Application Preview if you feel comfortable sharing this information.

### How do I enable Application Preview for a counselor or advisor?

Grant permission to a counselor or advisor by using the "Enable Preview" button in the space below their name. You can revoke this permission at any time with the "Disable Preview" button for that individual.
