

**LYNBROOK HIGH SCHOOL
2020 -21 POWERSCHOOL COURSE
REQUEST VERIFICATION**

Your child's 2020-2021 high school course requests are available for you to review on the PowerSchool Parent Portal.

Please log into PowerSchool using your desktop or tablet and click on the new ***Class Registration*** icon. Please understand that the ***Class Registration*** icon is only available on the ***web-based version*** of PowerSchool, not the app. Here you will be able to review the courses that your student selected for next school year.

Parents and students should review this list for accuracy, making sure that all required courses, electives, and alternates are listed.

If there are corrections or changes that need to be made, students should send an e-mail to their **current guidance counselor** listing the courses that need to be dropped and/or added.

All course changes/corrections must be e-mailed to your current Guidance Counselor by FRIDAY, MAY 22nd. The Class Registration feature will no longer be available after that date.

If you forgot your login information you can try to re-set it, using the "Forgot my ID/Password" link. If you are still having problems, please e-mail Mr. Sarosy (for the high school) matthew.sarosy@lynbrookschools.org
