

# **Lynbrook North Middle School**

Weekly update 4/13/2022

## **Spring Break April 14<sup>th</sup> – 24<sup>th</sup>**

Wishing all of our families a fun and relaxing spring break! I hope that during this spring break you are able to take time to reflect, relax, and be with family and friends. Once we return, we will be in the home stretch making that final push to the end of a wonderful school year while consistently providing our students the guidance needed to chase their dreams.

## **NYS Assessments Math – April 26<sup>th</sup> & 27<sup>th</sup>**

We will be running classes on a delayed bell schedule. **See attached letter that was emailed home and delayed bell schedule.**

## **Science Research Summer Camp Due April 15<sup>th</sup>**

Deadline for applying is April 15<sup>th</sup>, 2022. **See attached brochure and application.**

## **Lawn signs for 8<sup>th</sup> grade graduates**

2022 Graduation Lawn Sign... with or without personalization! **See attached flyer.**

## **Yearbook - 8<sup>th</sup> grade parents**

Limited number of yearbooks left for purchase. Be sure to place your order ASAP.

## **Health and safety**

Families can receive additional free COVID test kits from the federal government shipped directly to the home even if previously ordered. Please use the provided link to order your kits.

[COVIDtests.gov](https://www.covidtests.gov) - [Free at-home COVID-19 tests](#)

North has more test kits available for pick up. Please contact Ms. Manfre, the school nurse, to make arrangements for pick up 516-887-6585.

## **Tablets**

Please remind your child to safeguard his/her tablet by placing it in the school provided carrying case.

Carrying too many items in the case may increase the possibility of breakage. Remember insurance only covers one claim per school year; continual breakage repairs are the responsibility of the family.

## **Lynbrook Technology reminder**

Please remember to restart your computer on a daily basis. There are several important security and communication updates scheduled to take place over the next two weeks. It is very important that students regularly shut down and restart their laptop computers to enable the updates to take place. Simple practices like this will ensure your laptop runs better in the long run.

## **Quarantine and Remote Learning**

Links to virtual learning via WebEx are available on each class page in Schoology. Please know that teacher's cameras will be on, but there may be limited interaction with those on camera. Students will be able to tune into the lesson and when feasible, they will have a view of the interactive whiteboard.
