

Lynbrook North Middle School

Weekly update 11/4/2022

Lynbrook Promotes Tolerance

Considering the recent incident at South Middle School, please discuss with your child the importance of acceptance, inclusion, and kindness. This incident does not reflect who we are or what we value. We will continue to teach acceptance and tolerance to ensure that everyone feels welcome in Lynbrook schools.

North goes to the Zoo

The 8th grade class took a fun and educational trip to the Bronx Zoo today. Be sure to ask your 8th grader about their classroom experience.

North cooks up some fun!

The teachers and staff dressed up on Halloween Monday and took a picture of the whole school in celebration of Unity Day and Saying No to Drugs.

Project LIFTOFF - Congratulations to our North Semifinalist teams

We are honored that TWO out of our six teams are moving onto the final round. Congratulations to Anderson Bell, Liam Proper, Owen Rudolph, and Antonio Zollo for their proposal entitled: The Effect of Microgravity on the Oxidization of Iron and Baili Georgoulas, Delia Kirkpatrick, Annabelle Murray for their proposal entitled: Hodgkin Lymphoma Cells in Microgravity. The third team from the high school is Jack Murray, Aidan Michaels, Chris Mangieri, and Jamile Batista for their proposal entitled: How does microgravity and space conditions affect the growth of the wine cap mushroom, *Stropharia rugosoannulata*, mycelium?

Thank you to the teachers and students who participated in Project LIFTOFF.

Veterans Day Collection in North social studies classes

Lynbrook cares! Please help support our active military by donating. Drop boxes are available in social studies classrooms. **Flyer attached.**

Quarter 1 ends November 10th

Please be sure to check PowerSchool to make sure all assignments are completed and up to date. If any work is missing, have your child speak to the teacher to make sure it is all completed within the time frame of the closing of Q1.
