Meet the Teacher Night

The Marion Street Meet the Teacher Night is scheduled for Wednesday, September 23rd. All classroom teachers will send a link to their meeting. The teachers will provide an overview of their curriculum, and you will have an opportunity to put a name to the face as you listen to your child's classroom teacher. Specific questions about your child should be left for another day.

Each teacher will provide you with his/her email address. Also, our special area teachers will create a short video. It will be posted on our Marion Street Homepage.
