

**Lynbrook South Middle School
Memorandum**

**OPEN HOUSE
Tuesday, September 24, 2019**

Dear Parent/Guardian:

Welcome to Lynbrook South Middle School Open House Night. **Tuesday, September 24th**, the teachers will describe their course of study, class requirements and grading procedures. Parents wishing to discuss their child's progress should plan on attending our Parent Teacher Conferences on **Tuesday, November 19, 2019 and Monday, November 25, 2019**. Information about scheduling conference times online will be mailed home to all families shortly. You must schedule an appointment to attend the parent teacher conferences.

During the evening, you are invited to enjoy refreshments in the General-Purpose Room, compliments of the PTA. Please join the PTA since they provide financial support for many programs seen by our students.

Please note that several teachers will not be here for our open house because they are shared between multiple buildings. However, they have left a flyer with classroom information for you. These teachers have told your children that they will not be here.

We hope the evening will be informative and useful as we partner together to make this school year both academically challenging and enjoyable for our students. Your child has listed his/her schedule on the back of this letter.

Sincerely,

Joseph M. Wiener
