

Friends of Lynbrook High School

October 2, 2019

Dear Supporter:

For more than twenty years, the Lynbrook Community has sponsored a post-prom breakfast for the graduating seniors from Lynbrook High School. In the recent past, the Fly with the Owls organization has generously funded the event in coordination with the Village of Lynbrook, which has donated the use of the pool and the requisite staffing to keep everyone safe. Unfortunately, Fly with the Owls is no longer be available to support this event. As a result, Friends of Lynbrook High School was established for the purpose of sponsoring the post-prom breakfast, and potentially other high school-related endeavors.

At this time, we are attempting to raise enough funding to ensure that the post-prom breakfast, a decades-old tradition, may continue for the teenagers in our community. The event is intended to provide a safe place for all Lynbrook High School prom-goers to gather at the end of the night. Food, drawings, prizes and swimming provide the backdrop for a safe and memorable way to end their special evening.

But we cannot do it without you.

We are asking for your help to continue this event by supporting the Friends of Lynbrook High School in any way you can. We are offering various sponsorship levels, though any donations are welcome. If you would like to support the organization or the event in a different way, please feel free to contact a committee member.

Additionally, we are always looking for help with planning and organizing of fundraising events, support ideas and the like. If you are interested in becoming a committee members, please contact any of the members below and we will add you to the volunteer list.

Thank you for your continued support! We look forward to having a successful year!

Yours truly,

Friends of Lynbrook High School Committee Members
