

2023-2024 Schedule:

Lynbrook SEPTA

SEPTA is the Special Education PTA for the entire district. SEPTA is for everyone!

We represent a diverse population of students from preschool to high school, their parents, and teachers. These children may or may not be classified students, 504 students, or students in the gifted or talented programs. SEPTA was organized to support, strengthen and promote a greater awareness of special education and to encourage and promote an understanding of all student's needs, while striving to develop and implement ways of meeting them.

Please mark your calendar for our meetings/workshops. All take place at Lynbrook HS. To join SEPTA use the QR code or visit <https://1960.memberhub.com>

Wednesday, September 20th at 6pm: Before HS orientation, we will host a special education high school orientation in conjunction with the Special Services Department.
